Sex	Male
Birthplace	Tokyo
Time in Ogasawara	Since 1983
Guide history in Ogasawara	Registered as an Ogasawara guide from 2012 Began guide work from 2003
Area of specialty with guiding/ Self promotion etc.	Initially my field of expertise was plants as my occupation is farming. Later on I became more familiar with rare species of wild animals living in Hahajima as I became involved in the studies of the Ogasawara Kawarahiwa (<i>Carduelis sinica</i>), Hahajima Meguro (Bonin White-eye or <i>Apalopteron familiare</i>), Akagashira Karasubato (Red-headed wood pigeon or <i>Columba janthina nitens</i>), and Ogasawara Nosuri (Buzzard or <i>Buteo buteo toyoshimai</i>), which was requested by the Forestry Agency.
Profile/ Qualifications etc.	Graduated from the College of Agriculture and Veterinary Medicine at Nihon University. Took a year off while in school for training at ranches of the Ministry of Agriculture of Paraguay. Was engaged in the construction of pipelines for a year in Algeria for a project of a corporation,

	<p>then moved to Hahajima.</p> <p>Became independent after working for about 10 years as a farmer and receiving agricultural training on Hahajima. Later on made connections with the tourist association through relationships with the people on the island and became involved with the establishment of Hahajima forest guide regulations. Began working as a mountain guide while farming in 2003. Qualifications regarding guiding are as follows. Tokyo nature guide (Sekimon), Forestry Agency Forest Ecosystem Reserve Annual Forest Entry Pass, Tokyo Fire Department Advanced Lifesaving Skill Certification</p>
<p>2. Information regarding voluntary activities</p>	
<p>①</p>	<p>Actions for the conservation of the natural environment</p> <p>Attended the Forestry Agency Protection and Management Committee Meeting as a member from Hahajima.</p> <p>Began conducting inspections of rare wild animals and plants of Hahajima as a nature protection caretaker of the Kanto Regional Forest Office from 2011.</p> <p>Began inspections of selected routes on Hahajima as member of the Green Support Staff of the Forestry Agency from 2008.</p>
<p>②</p>	<p>Actions for improvement as a guide</p> <p>Extending and acquiring new knowledge by studying the vegetation, patrolling as well as inspecting national forests (work for checking boundary stakes), and walking the mountains of Hahajima on a daily basis.</p>
<p>③</p>	<p>Other contributions to</p> <p>Teaching Kendo as a volunteer to the children of Hahajima for about 20 years.</p>

	the local region	Taking part in social service activities as a public commissioned child welfare volunteer of the Tokyo metropolitan government for 10 years.
