Guide history in Ogasawara	Registered as an Ogasawara guide from 2012 Began guide work from 1997
Area of specialty with guiding/ Self promotion etc.	I wish for customers to feel that the ocean and island is globally linked by guiding all aspects of the world natural heritage, the Ogasawara Islands, such as the coral reefs of the sea, dolphins and whales, endemic species and the ecosystem, and the history as well as the current state of the islands.
Profile/ Qualifications etc.	Tokyo nature guide, Higashidaira Akagashira Karasubato (Red-headed wood pigeon) Sanctuary entry permit, IWO interpreter, 4 th class licensed mariner, 1 st class small vessel operator, CMAS/ MTES2 star instructor, diver, emergency recompression member, sport fishing boat manager, special radio operator, large motor vehicle/ motorcycle license, advanced lifesaving skill certification

2. Information regarding voluntary activities

①	Actions for the conservation of the natural environment	Cleaning park trails and the sea.
②	Actions for improvement as a guide	Attending various lectures of people related to work involving nature, visiting other regions etc.
③	Other contributions to the local region	I would like to have people outside of the island become more interested about the islands by sending out information through daily blog-writing about Ogasawara.
